Woman in Arkansas Hears
of Cardui, Tries It and Is
Greatly Benefited—Now
Recommends It to
Others.

Peach Orchard, Ark.—Mrs. Nontie High, who lives near here, states: "Sometime ago I began to have trouble with my back. I would ache and I could hardly get up when down. I was so weak I would just drag around and did not feel like doing anything at all. I was so nervous I felt I could scream, and . . . such a heavy feeling I could not rest at all. It looked like I was going to get down in bed . . .

I heard of Cardui and thought I would try it and see what it would do for my case. After taking a few bottles I grew stronger . . . The bloated, heavy feeling left me. I wasn't so nervous, in fact, felt better all over. I took twelve bottles and certainly was greatly benefited and can recommend it to any one as a tonic or builder. I often tell others how it helped and strengthened me." Cardui is a great vegetable tonic, with no bad after-effects. Its ingredients act in a helping, building way, on the womanly constitution. Ask your druggist. He knows about Cardui. Some druggists have sold it for forty years.

If You Are One Who Has Quit Indulging in Strong Drink.

Cadomene Tablets Will Help You Over the Rough Period.

Cadomene Tablets are helpful to weak nerves. Weak, faulty nerves often come from strong drink. Sometimes the system is impoverished by excesses of one kind or another, such as poor digestion and faulty nutrition. Overwork, anxiety, and even grief cause abnormal nervous conditions. The strength of body declines. The strength of will power wanes. Nervousness and sleeplessness causes further weakness and loss of vitality. Years of faithful practice taught a great physician that the formula now used to make Cadomene Tablets would surely build up the health of his patients. Now, anyone can take this great medicine if needed. Mr. G. A. Hoover, R. R. No. 1, Reading, Pa., writes: "I am taking Cadomene Tablets with very gratifying results. Nervousness, overwork, and sleeplessness are my complaints." Mr. Joe N. Herndon, 1647 Twenty-fifth St., Sacramento, Cal., writes: "I am using Cadomene Tablets and find a great improvement has been brought about in two days." Every package is guaranteed satisfactory to the purchaser. adv.
